

Introductory lesson to graphing

Each Student filled out a questionnaire of 23 questions about their favourite things, birthdays etc. Questionnaires were then cut up and each student took a question to collated, graph and display for the rest of the class.

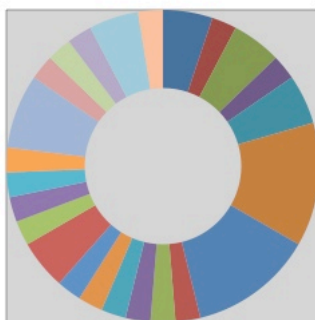

What are we doing?

1. GET THE DATA
2. PUT IT IN GROUPS
3. OPEN AND SAVE IN EXCEL
4. PUT THE DATA IN EXCEL
5. MAKE 3 GRAPHS
6. COPYNPASTE INTO COMICLIFE
7. CAPTIONS ON GRAPHS
8. MAKE IT PRETTY (LIKE ME) SEE BELOW
